Concerts: The Elvis Buddy Holly went well. The concert was well attended and it was estimated that there were over 500 people in attendance. This was the largest turn out for any of our concerts.

Fishing Derby: Carol Frerker reported that the fishing Derby was well attended. It was estimated that about 85 children participated in the event. There were attendance prizes and hot dogs for all the kids. Carol stated that she thought it would be a good idea to hold the derby at the other pavilion next year.

Movies: Sharon Petty presented the option and wanted to know what the committee thought about color brochures for the movies. The committee thought it was a great idea but may get costly. Judy Weimann recommended that we may try colored paper as opposed to colored copies. Sharon Petty has put together a power point to display at the movies The presentation was viewed by the

committee and all felt Sharon did an excellent job putting it together. There were some minor changes that were suggested and Sharon will be making those changes. Dennis will try to burn the slides to a video presentation to be played during the movies. The next movie is June 27th and will be Uncle Buck sponsored by Beatty & Motil, First National Bank: Maryville Center.
