It is the policy of the Maryville Police Department to alert the public of the threat of severe weather and any other situation that constitutes a threat to the general health and safety of the public within the Village of Maryville or the surrounding area.

The Emergency Warning Siren shall be activated if any of the below conditions arise:

1. The National Weather Service, a local television station or a local radio station issues a severe weather warning or tornado warning for the vicinity of the Village of Maryville.
2. Sixty miles per hour winds are forecast by the National Weather Service or local television or radio station.

The citizens and visitors to the village should seek shelter and monitor radios, televisions, weather radios, computers and any available source for emergency information until the conditions no longer exist. Please do not call the police department when the warning is issued unless you need an officer or you observe a possible public safety situation.

Police News

Officer Sam Luna has taken a position with the Collinsville Police Department. Sam is a very good young officer and will be missed. We wish him the best.

The Fire and Police Board is in the final phase of completing a Hiring Eligibility List for the police department. When the list is completed we plan to hire a replacement for Officer Luna.

FIRE DEPARTMENT

The Fire Department had 72 responses in April. 49 were for medical service with the remaining being for fire / rescue.

The Fire Department had 77 responses in May. 55 were for medical service with the remaining being for fire / rescue.

The Annual Firemen's Homecoming will be held on July 8th and 9th. The parade starts off the festivities at 7 p.m. on Friday night and at 6 p.m. on Saturday. There will be a ride matinee from 1 p.m. to 5 p.m. on Saturday afternoon. Live music will be in the park each night from 8 p.m. to midnight. Summer is upon us and with that comes problems with tall grass. Village Ordinance states that grass exceeding 8 inches is in violation. Also, a reminder to all businesses and residents located along Highway 159 that you are responsible for the grass between the roadway and sidewalk.

Storage of trailers, boats, RV's etc. in the front driveway or in the street is a violation. These vehicles need to be stored according to the ordinance.

Please make sure that all your pets have proper shelter from the elements and access to food and fresh water.

Summer also brings yard sales; please read on for new garage sale guidelines as recently passed by the Village Board:

1. All sales will be limited to a maximum of a three-day period.
2. Limited to four (4) signs per sale, including the sign erected on the sale premises.
3. The signs, which may not exceed 2' X 3' in size, excluding stakes, must contain the following information: (1) address of the location of the sale, (b) the date(s) of the sale, and (c) the address of the person conducting the sale if different from the location of the sale.
4. Signs must be erected with the use of wooden or metal stakes. The signs must be free-standing and cannot be attached to power poles, trees, street signs, or vehicles.
5. Signs may be placed on public right-of-way or private property. Signs placed on private property must have the permission of the property owner at the location. The signs must be placed in such a manner that they do not impede or block visibility for vehicular traffic.
6. Signs cannot be placed on Village property or right-of-way adjacent to Village property (parks, cemetery, public buildings, etc.).
7. Signs may be erected on the morning of the day of the sale and must be removed no later than nine o'clock (9:00) p.m. on the last day of the sale. Failure to comply with this provision may subject the person conducting the sale to be cited with an ordinance violation.

Outdoor "yard sales" or "garage sales" are prohibited in all commercial districts, including but not limited to B-1, B-2 and PD-B zoning districts and properties adjacent to any state route.

"Yard sale" or "garage sale" means the ordinary and commonly accepted definition of such a sale as found in Merriam-Webster's Dictionary which defines it as a sale of used household or personal articles or property including but not limited to the sale of used clothing, appliances, household fixtures and equipment.

As always, if anyone has any questions or concerns please feel free to contact me at 345-7028 ext. 2 or by email at zoning@maryville-il.us.

MARYVILLE HERITAGE MUSEUM

128 East Zupan Street
(Corner of Zupan and Donk streets)

Mission Statement

The Maryville Heritage Museum is committed to preserving and interpreting the history of the Village of Maryville by collecting artifacts and information that document the heritage of this community.

Through interpretive exhibitions, educational programs and publications, the museum will strive to educate the public of the influence and importance of the past in defining the present.

Museum Committee and Volunteers NEEDED

The Museum Committee is looking for new committee members and volunteers that would just like to help work in the museum.

Committee members meet once a month and serve in an advisory capacity. They are the decision makers as to which projects will be undertaken in relation to exhibits.

Volunteers work in the museum to accomplish the projects set out by the Committee. Help is needed to work on displays, build or repair display cases, and general cleaning to mention just a few tasks. Volunteers can work one day a week or one day a month.

At the present time, all volunteers are also members of the Committee. But being a committee member is not a requirement to serve as a volunteer.

The Committee meets at 7 p.m. on the first Tuesday of each month at the Museum in the upstairs office. Volunteers could help on Tuesdays from 10:00-3:00.

If you are interested in either becoming a committee member or a volunteer, call Ed Kostyshock at 345-4500 or Mike Mason at 288-6017.

Looking for Items for Museum

Before you throw out that old box with pictures or letters from a family member who lived in or near Maryville, contact the Museum Committee. You may possibly have an old lunch box or tool that was used by a family member in the Donk Mine. Maybe you have an old camera, quilt, or hat that belonged to a relative but now it is just collecting dust, contact one of the committee members.

Just remember that before you sell or discard an item, ask yourself one question... **"Would this be a good addition to the Maryville Heritage Museum?"** And if you are not sure, call a committee member. Check out some of our display items in our Photo Gallery at www.vil.maryville.il.us

Current Committee Members

Current committee members include Janet Butts, Jan Cange, Beckie Decker, Ken Kuhlman, Michael Mason, and Sharon Petty. Ed Kostyshock serves as liaison to the Board of Trustees.

Museum Hours

One of the main goals of the committee is to have regular museum hours. Currently if you would like to see the museum displays, you are welcome to do so any day (usually Tuesdays) volunteers are at the museum. Appoints can be made with Ed Kostyshock 345-4500 or Mike Mason at 288-6017.

Museum Will be Open Homecoming Weekend

Maryville Heritage Museum will be open and will host a special display of pictures from the 1948 Homecoming Parade from 10:00 a.m. to 4:00 p.m. on both Friday and Saturday of the Maryville Homecoming, July 8 and July 9.

The theme of the 1948 homecoming parade was "Letters of the Alphabet", similar to this year's theme of "From A to Z". Pictures from the parade have been enlarged and placed throughout the museum. Many items from the early coal mining and farming days in Maryville as well a baseball memorabilia from the many baseball players that got their start in Maryville are part of the permanent collection.

Plan to stop by the museum located in the former City Hall and Fire Department building at the corner of Zupan and Donk Streets. For more information call Ed at 345-1837 or Mike at 288-6017.

VOLUNTEERS NEEDED

The Maryville Museum and Heritage Committee and Parks and Recreation Committee are looking for new members.

The Museum and Heritage Committee is improving displays and has the museum open one day a week. Meeting time is 7:00 p.m. on the first Tuesday of every month at the old Fire House located at the corner of Zupan and Donk Streets. The next meeting is July 5.

The Parks and Recreation Committee plans and runs monthly family events as well as develops and improves the four village parks. The committee meets at 6:00 p.m. on the third Monday of the month (next meeting is July 18) at Village Hall. If you are interested in an appointment to the Parks and Recreation Committee, please contact Mayor Gullede at 345-7028, Ext. 7 or via e-mail at mayor@maryville-il.us.

Both committees are also looking for "Friends of the Park" or "Friends of the Museum". These groups would consist of people

interested in volunteering time to “help” with various events or projects but not become a committee member. If you have an interest in becoming involved, please contact Ed at 345-4500 or Mike at 288-6017. Visit the Village website www.vil.maryville.il.us for information about each committee and their activities.

GAZETTE DISTRIBUTION

The Maryville Village Gazette is available on the Village website (www.vil.maryville.il.us). If at any time you would prefer to receive a hardcopy in the mail, we would be more than happy to add your name and address to our hardcopy mailing list. Please contact Tracy Fenton at 345-7028 ext. or clerk@maryville-il.us with your name and address. The new Village website has a feature whereby you can sign up to receive numerous notifications including Gazette issue availability via e-mail. If you are interested in this service, click on the "Notify Me" item under "Residents" at our website: www.vil.maryville.il.us

The Village Gazette publishes information that is likely to be of interest to Maryville residents. The intention is that it provides two-way communication. We encourage every Maryville resident—no matter the age—to share information or advertise home, nonprofessional services such as lawn mowing, baby-sitting, yard sales, etc. Businesses wishing to be included in a Spotlight on Business section should submit a request to clerk@maryville-il.us.

Suggestions for additions to, or improvement of, the Village Gazette are always welcome and will be given serious

consideration. Submissions or comments can be sent to the following e-mail address: clerk@maryville-il.us or delivered or mailed to the Village Hall, 2520 North Center Street, Maryville.
