### **OFFICE OF THE MAYOR**

It's hard to believe another summer has come and gone. I hope you were able to enjoy many summer activities. With the end of summer comes the beginning of a new school year. Please be careful and be on the look-out for children going to and from school.

As a reminder to all residents, please do not allow your brush and grass clippings to remain in the streets. Please blow or sweep them up. If allowed to remain in the street, they will be blown or washed into our storm drains. This clogs the storm drains and creates drainage problems during heavy rains.

I would like to offer my congratulations to the following Village residents for being selected as winners of the "Yard of the Month" awards sponsored by the Maryville Community Improvement Board.

- May Winner: Jim & Gloria Mundy at 101 Maryknoll Dr.
- June Winner: Jerry & Harlene Gammill at 2867 Keebler Rd.
- July Winner: Tom & Robin Angelo at 5 Fieldcrest

Congratulations also to Memories on Main who was selected to receive the Landscaping of the Year Award.

Maryville is still in need of volunteers to serve on both our Parks and Community Improvement Boards. Please contact me at 345-7028, ext. 7 if you are interested in serving.

Please feel free to contact me with any comments, questions or suggestions. I enjoy talking with and sharing ideas with you.

*Larry Gullede, Mayor*

### **POLICE DEPARTMENT**

#### **Back-to-School Safety**

Another school year has begun and the safety of students going to and from school is very important. Not only do drivers have to reduce speed and be more attentive but parents and students need to follow safety precautions also.

Parents should teach children to cross the street at crosswalks and corners, obey crossing guards, and to look "left-right-left" before entering the street. Parents should develop the safest most direct route, walk it with their children, and encourage the children to take the same route every day (avoid shortcuts).

Children riding bicycles should wear helmets, follow the rules of the road, have a safe cycling route, and be supervised until their skills and judgment are acceptable for safely operating their bicycle.

The Illinois Department of Transportation promotes healthier children through their "Safe Routes" program. The program encourages walking and riding a bicycle to and from school as a great way for our youth to get exercise.

When waiting for the bus children should arrive five minutes before the bus, stay ten feet from the street, and avoid horseplay. Upon boarding or leaving the bus students should wait for the bus to come to a complete stop, cross the street ten

feet in front of the bus, and wait on the same side of the street as the bus for caregivers. Parents should remove loose drawstrings and ties from clothing and book bags (use Velcro, snaps or buttons) to avoid entanglements and injury to children.

Parents driving children to school should enforce the law on the use of seatbelts, allow appropriate travel time to avoid speeding, have children enter and exit the vehicle on the curbside, and drop off children in a safe location. Parents with children old enough to drive to school should remind the young drivers of these safety issues.

During the time period of school arrivals and departures, travelers will see an influx of traffic at the intersection of Illinois Route 159 and Town Center Road from St. John Neumann School traffic and on West Main Street from students attending Maryville Elementary School, 6900 West Main Street. Plan your travel time accordingly. Drivers throughout Maryville need to be very attentive to bicyclists and pedestrians in the street but especially in the area of Maryville Elementary School.

### Halloween Party

The Maryville Police Department will host the 22nd Annual Halloween Party on Monday, October 31 at the Maryville Grade School. The time will be from 6:00 PM to 8:00 PM with costume contests for children ages 0 through 12 years of age. We plan to have entertainment and our usual treats, ice cream, and pizza. This event is supported by the generous donations from local businesses.

### New Officer

**Officer Frank Leffler** was hired on August 3, 2011 as a probationary police officer by the Maryville Police Department to replace Officer Sam Luna who accepted a position with the Collinsville Police Department. Officer Leffler gives the department an experienced officer. He has been a certified police officer for over 11 years and most recently worked for the Staunton Police Department.

Officer Leffler has worked the Maryville Homecoming as an extra officer and had worked as a part-time officer in 2004 and 2005 for the Maryville Police Department. Officer Leffler will participate in the Maryville Police Department Field Training Program under the guidance of Deputy Chief Rob Carpenter. The program will acclimate Officer Leffler to the policies and procedures of our department. We welcome Frank as a great addition.

## FIRE DEPARTMENT

The Fire Department had 77 responses in June. 45 were for medical service with the remaining being for fire / rescue.

The Fire Department had 65 responses in July. 51 were for medical service with the remaining being for fire / rescue.

The following individuals were recently accepted into probationary membership to the fire department: Jason Barker, Kurt Blixt, Colin Fuhrmann, Zach Greenemay, Josh Maxwell, Nathan Mueller, Derek Velazco, and Krista Winkler. These members are in the process of completing their six month probationary training after which time they will become permanent members of the department.

Thanks to everyone whose help and support made this year's homecoming a great success. Without the support of the community, this event would not be possible. All of the proceeds go to support our EMS service.

The Maryville Homecoming Association has recently agreed to purchase a new ambulance for the Village. This ambulance is

expected to arrive by the end of the year and has a cost of \$145,000. This is being paid for 100% with proceeds from the annual homecoming.

Work is expected to start soon on an addition to the firehouse. Two bunk rooms, a training room and two offices will be added. This will allow us to have 24 hour staffing for our EMS service meaning that response times in the evenings will be greatly improved.

The Fire Department has CPR instructors available to Maryville businesses and organizations. If you would like to set up a CPR class contact the station at 344-8099.

This year's Fire Department open house and safety day will be held on October 15<sup>th</sup>.

### **5<sup>th</sup> Annual Discovery Sundays Series**

Maryville Parks and Recreation is again holding its February Discovery Series Sundays, but they are asking you for ideas and resources.

We have had sessions on oil and water color painting, bass fishing, photography, scrapbooking, knitting, wine making, genealogy, yoga, birding, identity theft, dog training, antiques, and dessert ideas to name just some of what has been offered. The concept of Discovery Sundays was to offer an introduction into something new or something people wanted to know more about.

We would like your input. If you have an idea for a session or know of someone who would be willing to make a presentation, please let us know. Please call Sharon at 345-1837, Judy at 288-9232 or any other Park board member with your ideas or information.

### **"Best of Maryville" Art Contest & Show**

Keep taking pictures this summer for the "Best of Maryville" Art Contest and Show which will again be held in March, 2012.

The three areas of focus for High School, Amateur and Open include landscapes, close-ups, and people/animals. Prizes will be awarded.

There have been great events this summer where you may have taken wonderful pictures such as the Maryville Homecoming, A Day of Kayaking at Drost Park, Khoury League and softball games or the Master Gardener's area at Drost Park. But don't forget backyard picnics, your pets, a cone of Bobby's Custard, and even sunrise and sunsets!!!! These all can make for beautiful pictures to enter.

Keep your camera ready or get those paint brushes out and prepare to enter your work in March, 2012!!!

## **MARYVILLE HERITAGE MUSEUM**

128 East Zupan Street  
(Corner of Zupan and Donk streets)

### **Mission Statement**

The Maryville Heritage Museum is committed to preserving and interpreting the history of the Village of Maryville by collecting artifacts and information that document the heritage of this community.

Through interpretive exhibitions, educational programs and publications, the museum will strive to educate the public of the influence and importance of the past in defining the present.

### **Museum Committee and Volunteers NEEDED**

The Museum Committee is looking for new committee members and volunteers that would just like to help work in the museum.

Committee members meet once a month and serve in an advisory capacity. They are the decision makers as to which projects will be undertaken in relation to exhibits.

Volunteers work in the museum to accomplish the projects set out by the Committee. Help is needed to work on displays, build or repair display cases, and general cleaning to mention

just a few tasks. Volunteers can work one day a week or one day a month.

At the present time, all volunteers are also members of the Committee. But being a committee member is not a requirement to serve as a volunteer.

The Committee meets at 7 p.m. on the first Tuesday of each month at the Museum in the upstairs office. Volunteers could help on Tuesdays from 10:00-3:00.

If you are interested in either becoming a committee member or a volunteer, call Ed Kostyshock at 345-4500 or Mike Mason at 288-6017.

### **Looking for Items for Museum**

Before you throw out that old box with pictures or letters from a family member who lived in or near Maryville, contact the Museum Committee. You may possibly have an old lunch box or tool that was used by a family member in the Donk Mine. Maybe you have an old camera, quilt, or hat that belonged to a relative but now it is just collecting dust, contact one of the committee members.

Just remember that before you sell or discard an item, ask yourself one question... **"Would this be a good addition to the Maryville Heritage Museum?"** And if you are not sure, call a committee member. Check out some of our display items in our Photo Gallery at [www.vil.maryville.il.us](http://www.vil.maryville.il.us)

### **Current Committee Members**

Current committee members include Janet Butts, Jan Cange, Beckie Decker, Ken Kuhlman, Michael Mason, and Sharon Petty. Ed Kostyshock serves as liaison to the Board of Trustees.

### **Museum Hours**

One of the main goals of the committee is to have regular museum hours. Currently if you would like to see the museum displays, you are welcome to do so any day (usually Tuesdays) volunteers are at the museum. Appointments can be made with Ed Kostyshock 345-4500 or Mike Mason at 288-6017.

## **VOLUNTEERS NEEDED**

The Maryville Museum and Heritage Committee and Parks and Recreation Committee are looking for new members.

The Museum and Heritage Committee is improving displays and has the museum open one day a week. Meeting time is 7:00 p.m. on the first Tuesday of every month at the old Fire House located at the corner of Zupan and Donk Streets. The next meeting is July 5.

The Parks and Recreation Committee plans and runs monthly family events as well as develops and improves the four village parks. The committee meets at 6:00 p.m. on the third Monday of the month (next meeting is July 18) at Village Hall. If you are interested in an appointment to the Parks and Recreation Committee, please contact Mayor Gullledge at 345-7028, Ext. 7 or via e-mail at [mayor@maryville-il.us](mailto:mayor@maryville-il.us).

Both committees are also looking for "Friends of the Park" or "Friends of the Museum". These groups would consist of people interested in volunteering time to "help" with various events or projects but not become a committee member. If you have an interest in becoming involved, please contact Ed at 345-4500 or Mike at 288-6017. Visit the Village website [www.vil.maryville.il.us](http://www.vil.maryville.il.us) for information about each committee and their activities.

Cost: \$2/Student Plus Minimal Cost for Food

For students in grades 6-12, First Baptist Church Maryville will host "Engage Community Rally" formerly known as "See You at the Pole" on Wednesday, September 28 from 5 p.m. - 8 p.m. This is going to be an awesome day for students from around the area to unite and pray together. We will have food and games starting at 5 p.m. Our guest speaker will be Wade Morris, who combines sound Biblical truth, insight into the Word, and humor to make his teachings attractive and effective. This combination allows Wade to not only evangelize those outside of church, but also deepen the faith of the believer. Wade is the author and founder of The Journey, an expository Bible study and devotional series on CD. For more information about Engage, contact the church office at 667-8221 or visit [www.FBMaryville.org](http://www.FBMaryville.org).
