From the Village:

OFFICE OF THE MAYOR

The Maryville Village Gazette has been published every other month by the Village for the past 8 years. At a recent meeting of the Board of Trustees, it was decided that we will cease to produce the Gazette. The decision was made in an effort to continue the Board's resolve to reduce overall costs of the Village and to comply with current efforts to "Go Green". When the Gazette was started 8 years ago, the Village had a website but it was not in a format that could be easily modified and kept up to date. So the Gazette was produced to help keep our residents informed of "happenings" in Maryville. Our new and improved website, which went live this past spring, is maintained almost daily and current events, notices and news items can be posted at any time. Please visit our website (www.vil.maryville.il.us) regularly to keep informed of current events and notices regarding the Village. Also, I'd like to suggest considering a subscription to either the Troy Times-Tribune or the Edwardsville Intelligencer. Both of these local newspapers cover our Village Board meetings and post our Board and committee meeting dates and times.

I'd like to take this opportunity to extend my and the Village Board's thanks and appreciation to Jack Kime. Jack is a long time resident of Maryville and was the founder and first editor of the Maryville Village Gazette. The Gazette was Jack's "brain child" and we extend our sincere appreciation for his efforts in bringing about the Gazette.

I would like to offer my congratulations to the following Village residents for being selected as winners of the "Yard of the Month" awards sponsored by the Maryville Community Improvement Board.

- August Winner: Tom & Amanda Gary at 6149 Keebler Oaks Dr.
- September Winner: Brian & Leigh Mueller at 15 Forest Dr.

Maryville is in need of volunteers to serve on both our Parks & Recreation Committee and on the Community Improvement Board. Please contact me at 345-7028, ext. 7 if you are interested in serving on either of these committees.

Please feel free to contact me with any comments, questions or suggestions. I enjoy talking with and sharing ideas with you.

Have a very blessed Merry Christmas and a prosperous New Year!

Larry Gulledege, Mayor

5th Annual Discovery Sundays Series

Maryville Parks and Recreation is again holding its February Discovery Series Sundays, but they are asking you for ideas and resources.

For the past four years, two hours every Sunday in February was a Discovery Sunday. Hobbies, skills and new endeavors were presented. We have had sessions on oil and water color painting, bass fishing, photography, scrapbooking, knitting, wine making, genealogy, yoga, birding, identity theft, dog training, antiques, and dessert ideas to name just some of what has been offered. The concept of Discovery Sundays was to offer an introduction into something new or something people wanted to know more about.

We would like your input. If you have an idea for a session or know of someone who would be willing to make a presentation, please let us know. Please call Sharon at 345-1837, Judy at 288-9232 or any other Park board member with your ideas or information.

"Best of Maryville" Art Contest & Show

Keep taking pictures for the "Best of Maryville" Art Contest and Show which will again be held in March, 2012.

Grade School students can enter art work on any subject they choose, but all others must submit their artwork on something in or around Maryville, thus the name "Best of Maryville". The three areas of focus for High School, Amateur and Open include landscapes, close-ups, and people/animals.

There have been great events this past summer where you may have taken wonderful pictures such as the Maryville Homecoming, A Day of Kayaking at Drost Park, Khoury League and softball games or the Master Gardener's area at Drost Park. But don't forget backyard picnics, your pets, a cone of Bobby's Custard, and even sunrise and sunsets!!!! These all can make for beautiful pictures to enter.

Keep your camera ready or get those paint brushes out and prepare to enter your work in March, 2012!!!

MARYVILLE HERITAGE MUSEUM

128 East Zupan Street
(Corner of Zupan and Donk streets)

Mission Statement

The Maryville Heritage Museum is committed to preserving and interpreting the history of the Village of Maryville by collecting artifacts and information that document the heritage of this community.

Through interpretive exhibitions, educational programs and publications, the museum will strive to educate the public of the influence and importance of the past in defining the present.

Museum Committee and Volunteers NEEDED

The Museum Committee is looking for new committee members and volunteers that would like to help work in the museum.

Committee members meet once a month and serve in an advisory capacity. They are the decision makers as to which projects will be undertaken in relation to exhibits.

Volunteers work in the museum to accomplish the projects set out by the Committee. Help is needed to work on displays, build or repair display cases, and general cleaning to mention just a few tasks. Volunteers can work one day a week or one day a month.

At the present time, all volunteers are also members of the Committee. But being a committee member is not a requirement to serve as a volunteer.

The Committee meets at 7 p.m. on the first Tuesday of each month at the Museum in the upstairs office. Volunteers could help on Tuesdays from 10 a.m. – 3 p.m.

If you are interested in either becoming a committee member or a volunteer, call Ed Kostyshock at 345-4500 or Mike Mason at 288-6017.

Looking for Items for the Museum

Before you throw out that old box with pictures or letters from a family member who lived in or near Maryville, contact the Museum Committee. You may possibly have an old lunch box or tool that was used by a family member in the Donk Mine. Maybe you have an old camera, quilt, or hat that belonged to a relative but now it is just collecting dust, contact one of the committee members.

Just remember that before you sell or discard an item, ask yourself one question: "Would this be a good addition to the Maryville Heritage Museum?" And if you are not sure, call a committee member. Check out some of our display items in our Photo Gallery at www.vil.maryville.il.us

Current Committee Members

Current committee members include Janet Butts, Jan Cange, Beckie Decker, Ken Kuhlman, Michael Mason, and Sharon Petty. Ed Kostyshock serves as liaison to the Board of Trustees.

Museum Hours

One of the main goals of the committee is to have regular museum hours. Currently if you would like to see the museum displays, you are welcome to do so any day volunteers are at the museum (usually Tuesdays). Appointments can be made with Ed Kostyshock at 345-4500 or Mike Mason at 288-6017.
