Pet Waste Bags - Sharon Petty will send email to Patrick Presson requesting an employee ensure they are stocked (only 3 receptacles in park).

XII. New Business:

Alpine Shop Request - Would like to use Drost Park to give kayaking lessons approximately 2 to 3 times per month with about 6 people per class. Will use an ACA certified instructor. They have their own liability insurance but should include waiver for Village of Maryville. Also need to use water entry boards to avoid damage to shoreline, clean-up any trash after lesson and classes cannot conflict with other events at park. Jerry Church made motion to allow Alpine Shop to hold lessons at Drost Park providing they including the insurance waiver and adhere to the guidelines stated above, Bob Hunter seconded, motion carried.

Turkey Trot November 16 - Moved to November 16 from November 9.

Gator - Was not approved in current year budget. Need to prepare document outlining need for gator. Discussed option to raise price for Turkey Trot registration to raise money for gator - suggested park committee retain half of fee towards purchase.

Scum and Trash on Drost Park Lake - Cove on north end of lake covered with scum and trash - smells badly. Bob Kilzer made motion to have someone investigate problem, Jerry Church seconded, motion carried.

Picnic Tables by Library - Sharon Petty will send email to Patrick Presson to move picnic tables between lake and library to tree area. Bob Keplar will research replacing tables with straight benches along lake. This would allow people to use benches to face lake or to watch movies in the park.
