OFFICE OF THE MAYOR

The Annual Mayor's Prayer Dinner, sponsored by the Maryville Ministerial Alliance, will be held on May 6th. The Dinner will be held at the First Baptist Church in Maryville (7110 State Route 162) at 6:30 p.m. Our guest speaker this year will be Cindy Winters representing her newly formed ministry, Grace and Hope Ministries. Tickets are available at Village Hall and from all of the Maryville churches. Tickets are free, but will be required for admission. An offering will be received at the Dinner to benefit the Maryville Outreach Center's Residents' Assistance Program. Please note we have a limited number of tickets for the Dinner. This year, the Alliance will have the dinner catered so we will need an accurate count of attendees. If you request tickets and circumstances arise that prevent you from attending, please either return the tickets promptly or pass them along to someone else who will be able to attend.

If you would be interested in volunteering on one of the Village's committees, there are openings on the Park & Recreation Committee and on the Community Improvement Board. Please contact me if you would be interested in serving with either of these groups.

I would like to say a big "Thank You" to all of the volunteers who came out on Saturday, April 24th and helped us celebrate "Earth Day" by planting trees and cleaning up in the Village parks. If you would like to be notified when there are events such as this one planned, please send your email address to my assistant, Jolene Henry at maryville4u@maryville-il.us.

The Village has received the balance of grant monies due to us from the State for the Lakeview Acres Road Improvement Project. This has allowed us to proceed with plans for the remaining portion of the project. Phase 2 of the Improvement Project is moving forward with a possible construction start this summer.

Improvements to Drost Park are also underway. I am excited to report that lights will be up and ready for our first lighted ball field by season opening.

Thanks in part to the American Recovery & Reinvestment Act (ARRA); we have begun improvements to our water system.

The Village will receive \$623,290 towards this project from ARRA federal stimulus monies. The remaining projects costs will be covered by a 20 year 0% interest loan from the Illinois EPA. The water system improvements include upgrades at our water plant and water softening system and the addition of a 1.5 million gallon water storage tank.

Make plans to attend our annual Homecoming. The Homecoming will be July 9th and 10th with a parade both nights. This year's parade theme is "Reasons to Celebrate". Thanks to the dedicated men and women associated with our Fire Department, our Homecoming is one of the best around.

As you can tell, there will be a lot going on around town this summer. We are always looking for ways to improve our town. If you have any suggestions, questions or comments, please feel free to contact me.

Have a great Spring and Summer!

Larry Gullede, Mayor

POLICE DEPARTMENT

Catch a Kid

The Maryville Police Department will continue the **Catch a Kid** program this summer. Officers may carry a ball glove and play catch with children during their patrol duties. The officers will distribute a limited supply of Wiffle ball and bat sets along with additional Wiffle balls. The program was well received the last three summers.

Be Careful

Spring is here and summer will be arriving. Outside activities are increasing. Drivers of vehicles need to be alert for people that are jogging and walking, bicycling, and children playing. Although the roadways are intended for vehicles, people utilize them when sidewalks are not available and children play in them for recreational activities. Please be careful and enjoy the summer.

A few Illinois Statutes to be aware of are:

625 ILCS 5/11-1416 "No person shall willfully and unnecessarily hinder, obstruct or delay, or willfully and unnecessarily attempt to delay, hinder or obstruct any other person in lawfully driving or traveling along or upon any highway within this State."

625 ILCS 5/11-1426 "it shall be unlawful for any person to drive or operate any all-terrain vehicle or off-highway motorcycle upon any street, highway or roadway in this State."

625 ILCS 5/11-1003 "Every pedestrian crossing a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the roadway."

625 ILCS 5/11-1007 "Where a sidewalk is provided and its use is practicable, it shall be unlawful for any pedestrian to walk along and upon an adjacent roadway. Where neither a sidewalk nor a shoulder is available, any pedestrian walking along and upon a highway shall walk as near as practicable to an outside edge of a roadway, and, if on a two-way roadway, shall walk only on the left side of the roadway."

FIRE DEPARTMENT

The Fire Department had 67 responses in February. 51 were for medical service with the remaining being for fire / rescue.

The Fire Department had 74 responses in March. 64 were for medical service with the remaining being for fire / rescue.

Congratulations to Craig Kemper, Joe Benker and Ryan Anderson who successfully passed their exams and were recently licensed as paramedics. This will greatly enhance or ambulance service. Good job guys!

The Department recently welcomed 10 new members to the roster. They are Matt Ruth, Jason Tune, Michael Tune, Shane Coursey, A.J. Nichols, Chase Vannier, Tavis Munro, Ryan Luckett, Derek Sonnenberg and Richard Buchanan. The new members are currently in the process of completing their probation training. Thanks to each of them for their willingness to serve the community.

It's not too late to start thinking about this year's homecoming. The dates this year are July 9th & 10th. The theme for this year's parade is "Reasons We Celebrate".

Summer weather is just around the corner and with that comes problems with tall grass. Village Ordinance states that grass exceeding 8 inches is in violation. Also, a reminder to all businesses and residents located along Highway 159 that you are responsible for the grass between the roadway and sidewalk.

Summer also brings yard sales; I would like to remind everyone that all signs must remain on the property of the sale. This also applies to realtor signs and "For Sale by Owner" signs. Temporary business signs such as banners require a 30 day permit from the Building and Zoning Department.

Storage of trailers, boats, RV's etc. in the front driveway or in the street is a violation. These vehicles need to be stored according to the ordinance.

Please make sure that all your pets have proper shelter from the elements and access to food and fresh water.

As always, if anyone has any questions or concerns please feel free to contact me at 345-7028 ext. 2 or by email at zoning@maryville-il.us.
