OFFICE OF THE MAYOR

Summer has arrived and is in full force. I hope you have been able to find ways to stay cool in these "higher than average" temperatures.

Summer means the annual Maryville Firemen's Homecoming. I hope you will plan on attending one, if not both, days (July 9th & 10th) of the Homecoming festivities. The children's parade, put together by the Ladies' Auxiliary, begins at 7:00 p.m. on Friday and at 6:00 p.m. on Saturday. Proceeds from the Homecoming benefit the Firemen's Homecoming Association which raises monies to help support the Fire Department's Ambulance Service.

Improvements to Drost Park are underway and on schedule to be finished by the end of the year. I am excited to report the baseball field lights are up and running. The children of the Drost Park Khoury League have really enjoyed playing on the field at night.

Improvements to our water system are ongoing and slated to be finished by late summer. The improvements include upgrades at our water plant and water softening system and the addition of a 1.5 million gallon water storage tank.

We are always looking for ways to improve our town. If you have any suggestions, questions or comments, please feel free to contact me.

Enjoy the rest of your Summer!

Larry Gulledege, Mayor

Summer is upon us and with that comes problems with tall grass. Village Ordinance states that grass exceeding 8 inches is in violation. Also, a reminder to all businesses and residents located along Highway 159 that you are responsible for the grass between the roadway and sidewalk.

Summer also brings yard sales; I would like to remind everyone that all signs must remain on the property of the sale.

This also applies to realtor signs and "For Sale by Owner" signs. Temporary business signs such as banners require a 30 day permit from the Building and Zoning Department.

Storage of trailers, boats, RV's etc. in the front driveway or in the street is a violation. These vehicles need to be stored according to the ordinance.

Please make sure that all your pets have proper shelter from the elements and access to food and fresh water.

As always, if anyone has any questions or concerns please feel free to contact me at 345-7028 ext. 2 or by email at zoning@maryville-il.us.

MARYVILLE PARKS & RECREATION COMMITTEE

Maryville Bike Rodeo Results

The Maryville Parks and Recreation Committee held their 11th Annual Bike Safety Rodeo on Saturday, May 8 at Maryville Elementary School. Thirty two youngsters stopped by to have their bikes registered by Kim Reising, Dee Phelps of Maryville Kiwanis and event Chair Angel Merz. All bike ID numbers were recorded and will be given to the Maryville Police Department. If the bike is ever lost or stolen, the ID number will be used to identify the owner and allow the police to return it to its owner.

Committee Member Butch Bicanic helped fit each attendee with a new helmet and made sure they knew how important a properly fitted helmet was to their safety. Bikes were then inspected and serviced by Dave Merz and Darin Hartman of the Maryville Fire Department. Tires were checked, bolts tightened and minor adjustments made.

The last station was Maryville Police Officer Matthew Spaller who met with each child, talked about safety and encouraged them to test their riding skills on the obstacle course.

Claire Holiday won a new bicycle in the 5-8 year old drawing. Keelan Butcher was the winner in the 9-12 year old drawing. Numerous attendance prizes were also awarded.

First Bank of Collinsville, Maryville Kiwanis, Maryville PTA, Maryville Fire Department, Maryville Police Department and Maryville Elementary School Principal Joanna Luehmann made important contributions to make this event a success.

Pictures from this event will soon be found on the Village of Maryville website: www.vil.maryville.il.us.

MARYVILLE COMMUNITY IMPROVEMENT BOARD

Greetings from the Maryville Community Improvement Board! Currently, the Board has many activities in process and continues to try to find ways to make the Village of Maryville a great place to live.

Recently, the Village Wide Garage Sale was held on Saturday, June 12th. Nearly 60 homes signed up to be put on the map distributed by the MCIB. We hope buyers and sellers benefited from the sales. Local businesses reported that they saw an increase of business for the day. Luckily, the inclement weather surfaced later in the day and the event was complete by that point. Thank you to Melissa DeLassus for all of her hard work on the project. The Board would also like to thank the Kiwanis for pairing with us to offer BBQ once again this year. These type of events are never perfect and we are already gathering ideas and comments to make the event better next year and we welcome your input.

The Maryville Community Improvement Board is planning two upcoming events that we would like you to mark on your calendars.

First, the 2nd Annual Healthy Community Day will be held on Saturday, September 25, 2010 at the gymnasium of the First Baptist Church of Maryville. A 5K run will begin at 10 a.m. with a route to be determined and the Wellness Expo will run from 10:00 a.m. to 2 p.m. For more information please visit www.healthycommunityday.com or call Melissa at Southern Illinois Chiropractic Center at 618-288-7991.

Next, the MCIB is planning the 2nd Annual Fall Fest to be held Saturday, October 9, 2010 at Fireman's Park. Last year's event was a great success and we hope to make this year's even better. Planning for this event started in late June. We will be asking the local non-profit organizations to sign up for a booth for

the day. Several family oriented activities are being planned. Look for more information on both events in the coming months.

We would like to congratulate Hubbert & Patricia Leverett who reside at 1049 Meadowlake Court as the Yard Of The Month winner for June. Please check out their yard if you need any inspiration for your own landscaping projects around the house.

Speaking of landscaping projects the MCIB recently took charge of the planters that were out last year. We devised a new plan for the placement of these planters around town and recently added new plants for the upcoming months.

In other news, the Maryville Community Improvement Board is currently working on a website and we hope to have the site up and running very soon. We plan to have event information, copies of minutes and agendas, and other news available. Also, please feel free to join the MCIB group on Facebook.

Recently, we elected our slate of officers for the 2010-11 fiscal year. This year's officers are: Chairperson - Scott Allen, Vice-Chairperson - Melissa DeLassus, Secretary - Dione Rabida, and Treasurer - Rachel O'Neill. We would like to welcome Trustee Rod Schmidt as our new liaison from the Village Board. We look forward to working with Rod on our events and projects in the future. Finally, we would like to thank Trustee Randy Limberg for being our liaison from the Village Board for the past year. We wish him well in the future and hope he enjoys spending time with his family and grandchildren.

The MCIB meetings are open to the public and are regularly scheduled for the First Monday of every month at Village Hall at 7 p.m. The next two meetings are scheduled on July 12th and August 2nd. Volunteers are always welcome!
