From the Village:

OFFICE OF THE MAYOR

The Holiday Season is quickly approaching and with that comes the end of another year. 2010 was again a successful and busy year for the Village of Maryville.

I would like to take this opportunity to thank all of the individual volunteers and volunteer committees who have helped with numerous projects throughout this past year. I hear many positive comments from individuals who pass through town regarding the appearance of Maryville. This would not be possible if not for the many volunteers who come out and help in so many ways. Thanks to all of you!

If you would like to be notified of special projects needing volunteer help, please contact my assistant, Jolene Henry (345-7028 x6 or treasurer@maryville-il.us), with an email address or telephone number. We would be happy to add you to our contact list.

Construction has begun on Phase II of the road improvement project to Lakeview Acres Road. Weather permitting this Phase should be complete by the end of December, resulting in a wider, concrete paved roadway with curbs, guttering and sidewalks extending from Route 162 north to join the existing improvements to West Main Street.

Improvements to Drost Park are almost complete. The Village's award of \$327,200 in OSLAD Grant funds made it possible for many great enhancements to our park, including asphaltting of the walking trail; continuation of the trail around the perimeter of the park and baseball fields; lighting of a baseball field; a bocci ball court, horseshoe pit and basketball court; and improvements to the entrance of the park at Myron Provence Parkway off of Schiber Court. Drost Park is a beautiful area, and a wonderful asset to our community; we hope you find time to enjoy it!

Please feel free to contact me with your questions, comments and suggestions. Your opinion and input is important. I can be reached at 345-7028 x7 or at mayor@maryville-il.us.

For your information following are the dates that Village Hall and the Public Works Department will be closed in observance of the upcoming holidays:

- Thursday, November 11th in observance of Veteran's Day
- Thursday, November 25th & Friday November 26th in observance of Thanksgiving

- Friday, December 24th in observance of Christmas Eve
- Monday, December 27th in observance of Christmas Day

On behalf of the Village of Maryville's Board of Trustees and the Village employees, we wish you and your family a very joyous holiday season.

Larry Gulledege, Mayor

MARYVILLE COMMUNITY IMPROVEMENT BOARD

Greetings from the Maryville Community Improvement Board! Fall is here and we hope you have been enjoying the weather!

First, we would like to thank our very own Melissa DeLassus and the Southern Illinois Chiropractic Center for organizing the 2nd Annual Healthy Community Day held on Saturday, September 25, 2010 at the gymnasium of the First Baptist Church of Maryville. Melissa would like to thank all the organizations and volunteers for coming out to donate their time and abilities to this great event.

The MCIB would like to thank everyone who came out and made the 2nd Annual Fall Festival held on Saturday, October 9, 2010 at Fireman's Park another success this year. This year we partnered with Grace and Hope Ministries as they hosted their 2nd Annual Fred Winters Memorial 5K/10K/Fun Run before the Fall Fest. The participation by local businesses, churches, charitable organizations and the Village of Maryville helped once again to make this family friendly event enjoyable and fun. We would like to thank the Kiwanis, CMT YMCA, Liberty Village, Walgreen's, St. Luke's United Methodist Church, New Rivers Assembly of God, First Baptist Church of Maryville, Girl Scouts Troop #1062, Southern Illinois Chiropractic Center, volunteers from the National Honor Society at Collinsville High School, and finally the Village Board. Special thanks to Village of Maryville **Streets Superintendent** Clint Jones and our own Rachel O'Neill for all of their hard work on this year's event.

We continue to try to make these events better each year, so if you have any comments please feel free to share those with us. After the completion of these successful events, the Board will be spending the remainder of the year discussing future ideas and projects. Please feel free to come to one of our monthly meetings and voice your ideas or contact Village Hall. Suggestions to improve the village are more than welcome. Community Improvement Board meetings are held the first Monday of each month at the Village Hall, 2520 N. Center.

At the MCIB meeting in September, Mr. Ron Presson from GreenStar Eco-Enterprises, Inc. gave a special presentation to the group to discuss ideas to work on making the community more aware of sustainable initiatives. The idea would be to make Village and/or residents more aware of ways to save money and help the environment. The MCIB is currently coming up with a list to start with and work forward to a goal. Look for more information from the MCIB in the future regarding this exciting endeavor.

Congratulations to those who won the September and October Yard of the Month awards! The monthly contest has now concluded until Spring 2011. Thank you to the winners for all of your hard work on your yards to make Maryville a beautiful place to live.

Over the past couple of months the MCIB has welcomed two new members to the board - Chris Nazetta and Alex Nazetta. If you see them around town please thank them for their time and send along any ideas you might have to discuss at our meetings.

We would like to thank longtime member and current secretary, Dione Rabida, for her years of service to the MCIB. She has taken a different managerial position within the First National Bank of Staunton and will be missed by the Board and the Maryville community as a whole. Dione, thank you for your dedication to Maryville and good luck in your new position!

In other news, the Maryville Community Improvement Board is still working on a website and we hope to have the site up and running very soon. We plan to have event information, copies of minutes and agendas, and other news available. Also, please feel free to join the MCIB group on Facebook.

The Board has many activities in process and continues to try to find ways to make the Village of Maryville a great place to live. The MCIB meetings are open to the public and are regularly scheduled for the First Monday of every month at Village Hall at 7 p.m. Currently the MCIB has one open position. If you would like to help, please notify Mayor Gullede. As always if you do not want to serve on the board, we always welcome any extra help!
